### SCS and GDCh to Launch Heilbronner-Hückel Lecture

SCS and GDCh have agreed to create a new named lecture called the Heilbronner-Hückel Lecture to commemorate the Swiss chemist Edgar Heilbronner (1921–2006) and the German physicist and physical chemist Erich Hückel (1896–1980). SCS and GDCh will alternately invite scholars of the other country to present this lecture – Switzerland making the start in 2010.

### Swiss Chemistry Olympiad: The Magic of Chemistry

The best 13 competitors at the Swiss Chemistry Olympiad were awarded medals. The gold medalists also qualified to represent Switzerland at the International Chemistry Olympiad in Cambridge (UK). Gold went to Tibor Stolz from Pfaffhausen (ZH), Tino Canziani from Oberweningen (ZH), Virginie Greppin from Reinach (BL), and Mario Könz from Müstair (GR).
